

# SUR Right - Tire Trouble In Texas

**RULES:** IDPA Rules

**Created By:** PeterJarvis

**START POSITION:**

Seated in the chair at the left rear of the "automobile" (barrell) Your loaded pistol on top of the barrell muzzle facing down range and remaining magazines on your belt.

**SCENARIO:**

You were touring along the turnpike in Texarkana when you ran over a turnbuckle and tore the tread off of your tire. This takes The cake! A bunch of bootlickers busted out of the local biker bar and presented their knives. Just like a bootlicker biker to bring a knife to a gun fight. Defend yourself.

**PROCEDURE:**

At the signal retrieve your pistol from the top of the barrell and engage targets in tactical priority. Shooter may engage from the seated position or standing.

**SCORING:** Unlimited

**ROUND COUNT:** 18

**TARGETS:** 09

**DISTANCE:** Ten Yards or less

**SCORED HITS:**

**PENALTIES:** As Per Rule Book

**CONCEALMENT:** Yes

**NOTES:** Hit on the car is an automatic DQ
