

Home Invasion - Counter Clockwise Action Bay

RULES: IDPA Rules

Created By: PeterJarvis

START POSITION:

Seated at P1, handcuff on secondary hand with key in lock. Gun in holster and loaded to capacity. All ammo that will be used on shooters belt.

SCENARIO:

You and your spouse are victims of a home invasion; you were caught off guard and hit over the head. As you awaken, you realize you are handcuffed to a table and three thugs are torturing your spouse in front of you. You finally are able to free yourself from your restraints and able to seek revenge and save your family

PROCEDURE:

At the signal remove the handcuff and stand before drawing your gun, and engage targets T1-T3. From cover engage targets T4-T8 and popper PP1. All targets require two (2) shots each and steel must fall. A reload is required between first and last shot.
