

DRAFT Bay 3 - Dog Day Afternoon

RULES: IDPA Rules

Created By: Corgi Nation Pistol Team

START POSITION:

At P1 seated at table, gun unloaded, slide forward and all reloading devices on table; hands on HEAD, fingers laced (gamers). at signal load gun and take care of the armed bad druggies

SCENARIO:

Your Corgi has taken ill and you are at the Vet's waiting when armed druggies enter and take hostages. Even though they've disarmed you - their brains, muddled by drugs, booze and bad planning, have left your gun and magazines within your grasp! Take advantage of their sloppiness and take care of business! Beware of your wandering corgi- they have an penchant for being in the way.

PROCEDURE:

This stage is completed all while seated - buns must maintain contact with seat. Your body can turn, twist or shout, to address the targets. At signal, load gun and engage hard cover T1 - 3 with 3 rds each; engage PP1 and PP2 with a min. of 1, and T-4 gets 3 rds. PP's can be engaged in any order.

SCORING: Unlimited

ROUND COUNT: 14

TARGETS: 06

DISTANCE: T1-3 8 yds ; PP min of 10 yds and set at an angle so steel is facing shooter.

SCORED HITS: Best 2 on paper; Steel must fall

PENALTIES: Per latest IDPA Book

CONCEALMENT: No

NOTES: Use small PP's for PP1 & 2; NT corgi has down 3 ring removed and pawprints added
