

High or Low North Pistol Left

RULES: IDPA Rules

Created By: PeterJarvis

START POSITION:

Standing at start position, facing downrange, both hands at your sides. pistol and mags loaded to division capacity and holstered. PCC at low ready

SCENARIO:

You are halfway between a concrete barcade and a concrete wall when attacked by three bad guys.

PROCEDURE:

On signal draw and move to cover. Engage all three targets with a minimum of 3-rounds each, tactical priority ("slicing the pie"). Two body. 1 head.

The shooter must move out of the open at the starting position. The shooter may move reward to standing cover at P1, and engage targets from either side of the barricade. Or the shooter may move forward to low cover at P2, assume a kneeling position, then engage from either side of cover, but not over the top.

The shooter must move directly to cover then shoot. No shooting on the move.

Two runs. The shooter may shoot each run in the same manner, or split them one each way.

SCORING: Unlimited

ROUND COUNT: 09

TARGETS: 03

DISTANCE: 15 yds from P1, 5 yds from P2

SCORED HITS:

PENALTIES: Shooting at P2 without at least one knee down, or over the top of cover. P1 or P2: Any shot fired not from behind cover, or not in continuous motion.

CONCEALMENT: Yes

NOTES: All targets visible from P1 and P2
