

On the runway

RULES: IDPA Rules

Created By: JohnFarrell

START POSITION:

At P1 with heels on the fault line and fists oh hips. Handgun loaded to division capacity and holstered. (Concealed) PCC loaded to division capacity stock on belt and muzzle pointed at X on barrel.

SCENARIO:

This is it! Finally everyone is going to know you're hot stuff! Shiny new branded jersey, color coordinated kit, your signature "look", and a dronecam to record your glory for all time. The way you work the runway will be studied and marveled at, and the tactical fashion industry will never be the same. That's right honey, they're cueing your music. Get ready to shock and awe!

PROCEDURE:

When you hear that special buzzer, sashay / saunter, or advance with whatever style you can muster from P1 to P2. Wait, what!?!? Are- are they laughing??? Oh NO they didn't! Time to pull your piece and go postal, kill 'em all. Well, maybe not the cute ones... Go ahead and dump on these fools, but only the best two on paper count.
